### **MARSH WINS BEST INSURANCE BROKER AT CFO INNOVATION AWARDS 2015**

Singapore, November 24, 2015 – Marsh, a global leader in insurance broking and risk management, is pleased to announce that it has been named the best insurance broker for the second consecutive year at the CFO Innovation Awards 2015. The award was presented at a ceremony held at the Mandarin Orchard Hotel in Singapore on November 19, 2015.

Chief Executive Officer, Marsh Asia-Pacific, Martin South, said, “Marsh is proud to have won this award consecutively, and this achievement officially recognizes Marsh as the top insurance broker in Asia. The award is a testimony to the efforts of all our colleagues in the region, who have worked tirelessly to provide the best solutions and service to our clients. We are grateful to CFO Innovation and its readers for their continued support, and we look forward to serving the business community in the region well for the years to come.”

Inaugurated in 2012, the CFO Innovation Awards recognize Asia’s leaders in all aspects of financial management. Nominated and voted on by readers of CFO Innovation, the awards provide an opportunity to celebrate excellence and network with hundreds of leading CFOs and their partner suppliers. The annual awards ceremony acknowledges not only chief financial officers and their teams, but also the firms that provide them with the services, support, and technologies that enable their success.

On top of selecting the CFO of the Year Awards, readers also vote for the partner awards given to insurance companies, accounting firms, banks, technology providers, and other finance partners. Awards are conferred based on the companies that receive the highest number of votes, and the voting criteria include the partners’ ability to offer excellent customer support, innovative solutions and other benchmarks.

Receiving the award on behalf of Marsh, Head of Sales, Marsh Asia-Pacific, David Jacob, added, “It is a great honor for Marsh to receive this award. We are thankful that our clients have affirmed their confidence in us by voting us as the best insurance broker in Asia. We are motivated and determined to continue to deliver innovative and optimal insurance and risk management solutions to our clients, both existing and new.”
